Wanted: Talent Show Coordinator

We would like to host another student talent show this year, but are in search of a coordinator. We are trying to set up an event for later this spring, which would include an evening of student performances in a variety of talent areas. We are looking for a parent coordinator of this activity. If you are interested, please contact Mr. Cox at school.

A KidZ Clinic Special Message:

We head into March this week which marks the beginning of National Nutrition Month! A Kidz Clinic wants you to make it a goal this week to eat fruits and vegetables with every meal and make sure you are cutting out sugary drinks and drinking more water instead. Happy National Nutrition Month!
