### ACE Committee

Our First ACE Committee meeting has been rescheduled for Monday, October 2<sup>nd</sup> at 4:00 due to P/T conferences on September 26. The ACE Committee addresses NFSIS Accountability, Curriculum, and Evaluation. The ACE Committee is comprised of the principal, classroom teachers, and one parent representative for each class. This committee will meet on a quarterly basis, and will address a designated topic and questions for the school. Our first meeting will address student discipline procedures. Our second meeting will address student semester reports. If you are interested in being your classroom representative, please let your child's teacher know.

### North Fork Christmas Party

It's that time of year again! If you are in need of financial help this Christmas season, the North Fork Children's Christmas Party would like to help out! Just have your child pick up a form at school and bring it home for you to fill out. We need a separate form for each of your children. After you fill it out, return it to school with your child and have them give it to the person at the front desk. We will pick up those forms and fulfill your Christmas list. The deadline for turning in forms is October 6th, so be sure to pick up forms early! We want this to be a MERRY CHRISTMAS for everyone!

### A KidZ Clinic Special Message

Last week A Kidz Clinic asked you all to be students of kind words to your classmates and teachers, this week we are challenging you to be a student of kind words to yourself. Self-affirmation is important because it helps us realize why we are important and what we are capable of doing. Each day this week think of something you like about yourself and tell yourself why you like that piece of you and how it is important to you. Have a great week!

### Arts For All
