Information in the Office

There are flyers available at the front office for the following programs:

- ✓ Good News Club
- ✓ 5th Grade Ski Passport
- ✓ Paonia Library Events

School News

Winter Program Reminder

Our Holiday Program is this Thursday, December 14, starting at 5:30 at the school. This is a performance and potluck event. We will start the evening with the student performance at 5:30 and the potluck immediately afterwards. If students are in the school orchestra they should arrive at 5:00, all other students should arrive at their classrooms at 5:15. We ask that all students dress nicely for the performance and that they eat a snack prior to arriving for the performance.

Inclement Weather Recess

As our temperatures are dropping, please remember to send your children to school with appropriate clothing for the weather. Remember, we will only have inside recess if the temperature is below 20 degrees, or if there is heavy rain. Snow will not keep us inside. Please remember to send your child with appropriate footwear. At this time of year, it is a good idea to keep a pair of PE shoes at school.

District Accountability Representative

The school district holds a monthly District Accountability Meeting at which a school representative from every school in the district meets with school district leadership to discuss policies, procedures, and other relevant information. We are looking for a parent representative who would like to represent NFSIS at this meeting and then report back to the NFSIS Community Council. Please let Mr. Cox know if you are interested in this position.

A KidZ Clinic Special Message

A Kidz Clinic wants you to take time for extra sleep this winter! With the shorter, cooler days and longer nights, our bodies naturally need more sleep. Try going to be 30 minutes earlier than usual in the winter months. A sleep deprived body is more susceptible to illness.
