NFSIS Powderhorn Ski Trip

It is time to start preparing for our Powderhorn Snowsports Training Days. These are optional days of skiing/snowboarding for our 3rd through 6th grade students. We are scheduled to go to Powderhorn on January 30 and February 13th. Information packets went home in Tuesday Express and are due January 24.

5th/6th Grade Class Store

As a part of Ms. Ziccardi's business math class, the 5th and 6th graders are hosting a NFSIS store. We will be open for business on Friday during lunch recess from 12:05- 12:30 and before/after school in the front of the school. We hope our consumers are eager to shop for homemade goods and services. All items are less than 5\$ and all proceeds will benefit the 5th and 6th grade class trips to the pentathlon and medieval games in May. Thanks for shopping!

Attendance Policy and Student Illness

Our student population was hit pretty hard last week with strep, flu, and other illnesses. I know that some families are concerned about the impact of the district attendance policy. I appreciate that you are taking care of your children by keeping them home while they recuperate. Please know that we will take those absences into consideration if we need to develop 6-day attendance plans with a family.
