### Announcements:

#### Sickness

There is a lot of sickness going around. Thanks for keeping your child home when they are sick to prevent spreading illness.

#### T-Shirts

T- shirts have been ordered and should be in soon. Look for notice of your shirts being ready in Tuesday folders.

#### NFSIS Highlights

Kindergarten is finishing up their work on numbers. They are creating number books of their drawings. They will start work a seed mosaic with many different types of seeds. Colleen would love parent volunteers who would like to be in the classroom in the morning.

First and second have been learning about Martin Luther King and are working on Remarkable people. They loved building structures in Mechanics class. In Spanish they are learning days of the week and months.

## NORTH FORK SCHOOL OF INTEGRATED STUDIES

Third and fourth grade are starting work on mapping and Colorado geography and history block. They are excited for the ski/snowboard day at Powderhorn this Friday. They perfected and performed the song "El Barquito" in Spanish.

Fifth and Sixth grade are very busy getting ready for their play. They are working on diction and expression. The School Store last Friday was a great success - the students raised approximately \$400 for their end of the year adventures. Booths ranged from Art to food to personal decor.
